## H.m.s Expedient Port Royal Barbary Coast

**appendix one sixty years of gun boat diplomacy** - appendix one sixty years of gun boat diplomacy an illustrative chronology t his is not a complete list of all the examples of the application of limited naval force during the last sixty years. **health on the ocean waves: the sea-doctor afloat and in ...** - health on the ocean waves: the sea doctor afloat and in port professor allan chapman ever since mankind began to make long-distance voyages, often involving weeks or months away from the sight of land, **ophir to bulolo: the history of the gold search in new guinea** - on the hills around fairfax harbour, where port moresby now stands.8 although moresby dutifully announced this discovery—and displayed the specimens—to the royal geographical society, he was not in the least
